#### MEMBERSHIP WAITING LIST INFORMATION

Wedgwood Swim Pool is a private, outdoor swim club with a friendly, family oriented atmosphere, a caring and safety minded staff, and high quality swim programs. Membership includes 295 families and is FULL. Families desiring membership must join our Waiting List.

Wedgwood Pool offers swim instruction to both members and non-members. Sessions run for 2 weeks, each lesson is 30 minutes long. Schedules available at the office or web site. Full membership status gives members unlimited swims during operating hours; reduced fee for lessons; the opportunity for children aged 5 to 18 to swim on the Team; various social functions; permission to bring non-members as paying guests; and voting privileges.

Wedgwood Pool opens in mid May and closes for the season in mid to late September. The pool is open 7 days per week during this time. Swim team is held each weekday morning. Open swim is from 1:00 PM to 9:00 PM, Monday through Friday, and 12 noon until 9:00 PM on weekends. Adult lap swim is available during all free swim hours, as well as 6:00 - 7:00 AM Monday through Friday. "Family Hour", when children must be accompanied by their parent, is 5:30 - 7:00 PM Monday through Friday.

All children between the ages of 5 and 18 with membership status, and who can swim 1-2 lengths of the pool are invited to join the team. Workouts are held five days per week, beginning in late May and ending in early August. There are 7 dual meets, at least one championship meet for all swimmers, and an end of season Awards Celebration.

We maintain a Waiting List for those hoping for an opportunity to join. In 2009 people waited 10 years before being offered a membership. Membership sales vary from year to year and those getting on the list now will likely wait considerably longer than 10 years before being offered a membership.

A membership currently costs \$1700 the first season. This includes: \$650 membership fee reimbursed to the seller, \$350 retained by the pool, \$700 annual dues. The annual dues are due by March 1<sup>st</sup>.

Each spring members also participate in Work Parties to spruce up the building and grounds prior to the opening of the pool.
