

## **Vacation and Absence Plans**

Please indicate on the form below if your swimmer(s) will **not** be available for a specific meet. This knowledge is *essential* in helping the coaches create their meet lineups. It also helps minimize last minute changes and disappointments when swimmers realize they can't swim their relay because they are one member short.

**Please print the swimmer(s) name beside the meet(s) that they will not be attending.**

If your summer plans are still tentative, please report in writing to the coaches as soon as they become definite, and **no later than** one week before the meet. ***Please be sure to notify the coaches in writing if your plans change.*** Thanks!!
